**PETITION FOR REVIVAL OF AN APPLICATION  
ABANDONED UNINTENTIONALLY UNDER 37 CFR § 1.137(b)**

Sir:

This Petition is in response to the Final Office Action mailed on 19 July 2005 and the Advisory Action mailed on 28 December 2005 indicating that the proposed amendments mailed on 21 November 2005 were not entered because they raise new issues that would require further consideration and/or search. Applicant had filed a response to the Final Office Action of 19 July 2005 on Monday 21 November 2005 with a Petition for Extension of time with an expectation that the application would be allowed; however, due to a law office move and delays in receiving mail applicant did not timely receive the Advisory Action and the application became abandoned due to Applicant's failure to timely file to the Final Rejection and Advisory Action mailed on 28 December 2005. The six-month statutory period would have expired with a maximum three-month extension of time on 19 January 2006.

Applicant is Petitioning for Revival so that a Request for Continued Examination (RCE) with the response that is required for the RCE may be considered.

Our check in the amount of \$750.00 is enclosed to pay the fee for filing a petition to revive unintentionally abandoned application (\$750.00 - Small Entity - 37 CFR §1.17(m)).

In response to the Advisory Action mailed December 28, 2005, Applicants enclose herewith a Request For Continued Examination (RCE) and fees, and further including a request that the Amendment and Response mailed by Applicant on Monday 21 November 2005 be entered and considered.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional. Accordingly, Applicants hereby petition for revival of the above-identified application for patent due to the unintentional abandonment of the application under 37 CFR § 1.137(b).

### CONCLUSION

Applicants respectfully request consideration of this Petition for Revival of Application for Patent under 37 CFR 1.137(b).

The Commissioner is authorized to charge any additional fees that may be due as a result of filing this amendment, including any fees for Petition for Extensions of time that are required but have not been paid, or other fees that have not been separately paid, to Deposit Account 50-2319 (Order No. A-69479 (468914-22)).

Please direct any calls in connection with this application to the undersigned at (650) 494-8700.

Respectfully submitted,

DORSEY & WHITNEY LLP
